

20–22 OCTOBER 2020

KIRSTENBOSCH | CAPE TOWN

CALL FOR POSTERS

BEYOND 200 YEARS IN ASTRONOMY

The SAAO 200 Symposium is a collaboration and networking event for Astronomy in Africa, drawing the attention of the global astronomy community to the past, present and future contributions made on the continent and to raise the profile of African Astronomy in both the professional and public realm.

[SAAO 200 website](#)

Abstracts are invited for the SAAO 200 Symposium. This is an opportunity to share your work with African and international colleagues and to engage in dialogue on your topic. 250-word abstract summaries will be reviewed by the Programme Committee. Should your poster be accepted, a 1500-word abstract will be required for the electronic abstract publication.

HOW TO SUBMIT

Prepare a 250-word summary of what your abstract will be about, gather all authors' details, and submit electronically here:

[SUBMIT HERE](#)

Abstracts must ...

- ...be relevant to Astronomy in Africa | South Africa (i.e. it must be on an African | South African project)
- ...include keywords to help define your topic
- ...adequately describe the work to allow reviewers to evaluate the quality, originality, and thoroughness of the work
- ...be submitted in English (the language of the symposium is English, which will be used for all printed materials, presentations, and discussions)
